INTERNATIONAL TOURNAMENT

2014 - 2023

ПОД ФЛАГОМ ДОБРА

CHARITY FOUNDATION
SINCE 2007

SINCE 2016, THE UNDER THE FLAG OF KINDNESS FOUNDATION HAS ORGANISED INTERNATIONAL CHILDREN INCLUSIVE FOOTBALL TOURNAMENTS IN MOSCOW.

Annual summer and winter inclusive international tournaments involving children with disabilities are attended by athletes, artists, musicians, doctors and volunteers. Doctors believe that football for disadvantaged children is much more than physical development. It is a source of incredible emotions and vital energy. It is new friends and the joy of socialising.

Each event features a cultural programme, a children's orchestra with disabilities, pop-rock bands, pop-jazz groups and circus performers.

Traditionally, students of the Moscow State University of Sport and Tourism provide volunteer support for the tournament.

Young players from all over the world, living in Moscow, as well as children with disabilities and children in difficult life situations from boarding schools in Moscow and the Moscow region take part in the competition.

The event is supported by the Ministry of Foreign Affairs of the Russian Federation, the UEFA Children's Fund, Russian Olympic Committee and other organisations. The tournament is held with the informational support of the Russian Foreign Ministry with an annual greeting from Sergey Lavrov, co-founder of the Under the Flag of Kindness Foundation and Russian Foreign Minister.
